Dear Gottlieb:

I am writing first of all to enclose a copy of a letter I am sending to Brady Johnson. If we go through with this schedule, and he does one thing we do not approve, I think we should get the newspaper man in Norfolk to work with us. He is a good man, and I think he would do a good job. I am speaking of Lem Graves, with The Norfolk Journal & Guide. It might be a good idea to turn it over to him in another year anyway.

Now about the bus, I am really serious. We broke down last night just outside of Elizabeth, on our way home. Did you mean it when you said you would give us \$1000.00 for it. If so I think we should let it go now, and cut out the bus drivers salary, and rent. We have enough men on the team with cars to get to the close by spots, and I think I will charter a bus for the western trip. Abe said you knew some man in Philly that might have a bus to rent. Do you? If so please let me have details right away.

I will speak to umpire Moore tonight about working in New York. I know he will be glad to do so. The only Sundays we will need him in Newark will be July 14th, and Aug. 11th and 25th.

Are you contacting Dr. Marshall about The Eagles and Elites in Harrisburg July 8th? Please let me know as I will have to get busy on it if you have not.

Aren't any of the other western teams going to be out east but Kansas City. Are you planing to send any of them into Newark. We only left Newark open Labor Day. Also have Trenton Sept. 6th. Maybe you can put us in Wilmington with some of them.

Please get to work on the bus.

Very Truly Yours
